**FRONTENAC MORTGAGE INVESTMENT CORP. AVAILABLE IN WESTERN
CANADA**

Sharbot Lake, Ontario – Frontenac Mortgage Investment Corporation (FMIC) announces it is available to investors in Western Canada. FMIC has received the receipt of its Prospectus dated August 23, 2010. This Prospectus provides Canadians in the Western provinces the opportunity to invest in FMIC either through their investment advisors or directly with the purchase of F-class shares. Previously FMIC was only available to investors in Ontario.

FMIC is a mortgage investment corporation which pools investor funds and invests them in mortgages on Canadian properties. Investors earn dividends from the interest paid on the mortgages. Dividends are redeemable monthly either in cash or shares. FMIC has been managed by the same Portfolio Manager for 27 years. For more information call 1-877-279-2116 or visit the web site at www.fmic.ca. All investors should perform due diligence on any company, advisor or broker before investing their money.
